Summary of reasons for classification:

The DVD entitled *Casualties Of War: Extended Edition* is classified as:
Unrestricted: Suitable for mature audiences 16 years of age and over.

The DVD *Casualties Of War: Extended Edition* contains a feature that has previously been examined and classified. The 35mm film version of *Casualties Of War* was classified RP16 by the Chief Censor of Films in 1989 with the descriptive note, "Content may disturb" (Certificate of Approval and Classification 31765). The DVD version was examined by the Office of Film and Literature Classification (OFLC 200753). The feature was verified as identical to the 35mm film version. The DVD contained additional components relating to the feature as well as several trailers. These components did not provide grounds to alter the classification given to the 35mm version and therefore it was cross rated under the transitional provisions of the Films, Videos, and Publications Classification Regulations 1994 as unrestricted: suitable for mature audiences 16 years of age and over, with the same descriptive note.

Casualties Of War: Extended Edition contains the feature, incorporating two additional scenes, three notices, two trailers and two components entitled *Eriksson's War* and *The Making Of Casualties Of War* which also appeared on the first DVD version. The additional content in the feature *Casualties Of War: Extended Edition* does not provide grounds to alter the existing classification. Therefore *Casualties Of War: Extended Version* is classified as unrestricted: suitable for mature audiences 16 years of age and over, with the descriptive note, "Content may disturb".
